

Tarmac Building Products Limited, i10, Railway Drive, Wolverhampton, WV1 1LH, UK
13
DoP No. 004

EN 998-1:2016

Renovation plastering mortar for internal use

Dry Bulk Density (oven dried): 725 (+/-100)kg/m³

Compressive strength: CS II

Adhesion: 0.8 N/mm², FP A

Water Absorption: 6.52 kg/m²

Water vapour diffusion coefficient, μ : 12.22

Reaction to fire: Euroclass A1

Thermal Conductivity, $\lambda_{10,dry,mat}$, P=50% = 0.17W/m.K

Dangerous substances: See Safety Datasheet
